

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

-----  
UNITED STATES OF AMERICA,

Plaintiff,

v.

ADRIAN COLLINS,

Defendant.

-----

MEMORANDUM

13-cr-13-bbc

The court held a telephone conference in this case on November 27, 2013, to discuss the status of defendant's medical condition. The government appeared by Assistant United States Attorney Paul Connell. Defendant appeared by Mark Maciolek.

Mr. Maciolek advised that Mr. Collins continues to have serious medical problems that prevent him from undergoing the spinal surgery he needs. He is confined to a wheelchair but is able to attend medical appointments.

After hearing from both sides, it was agreed that defendant would enter a plea in this case and the government would recommend that he be released pending sentencing so that he may continue to receive medical care.

Counsel will consult with the clerk's office to schedule a plea in this case the week of  
December 16, 2013.

Entered this 27th day of November, 2013.
